

QUESTIONNAIRE INDUSTRIAL WASHING MACHINE

Details user:

Customer : _____
 Address : _____
 Postcode + city : _____
 Country : _____
 Tel. nr. : _____
 Fax. nr. : _____
 Name of contact : Mr / Miss _____
 Position : _____

Number of hours per day available for washing: _____ (hours)
 Operating personnel : _____ persons

Products to be cleaned (please list all products):

	Product description	Material	Dimensions (cm.) L x W x H	Needed Capacity (prod/hour)
1.				
2.				
3.				
4.				
5.				
Total / hour				

Prod. nr.	Specific product distinguishing marks			
	Open/Closed	Stacking corner / Grips	Stable/Instable	Additional remarks
1.				
2.				
3.				
4.				
5.				

Prod. nr.	Soilage (Dirt)			
	Soilage type	Soilage degree light / middle / heavy	Drying time (hours) 0-6 / 6-12 / >12	Additional remarks
1.				
2.				
3.				
4.				
5.				

Contains the soilage : 0 labels
 : 0 paper
 : 0 plastic

In case of labels : 0 glue dissolvable in water
 : 0 glue not dissolvable in water

QUESTIONNAIRE INDUSTRIAL WASHING MACHINE

Heating method (3 alternatives)

1) Steam : Yes No

If yes:

Pressure at machine (please mark X) : _____ bar
